DESIGN MEMORANDUM No. 05-35
TECHNICAL ADVISORY

TO: All Design, Operations, District Personnel, and Consultants

FROM: /s/ Anthony L. Uremovich
Anthony L. Uremovich
Design Policy Engineer
Contracts and Construction Division

SUBJECT: Snowplowable Raised Pavement Marker Castings

EFFECTIVE: April 19, 2006, Letting

The Operations Support Division's Logistical Support Section has a number of refurbished subject castings which may be used only on Department-maintained non-Interstate routes. If snowplowable raised pavement markers are required for such a project, the Department's project manager should determine the quantity required, then contact the Logistical Support Section manager to determine if that number of castings is available. If so, the Department's project manager should incorporate Recurring Special Provision 808-T-151 into the contract set. Quantities for the pay item 808-01226 Snowplowable Raised Pavement Marker Casting, Install, pay unit Each; should be included in the Estimate of Quantities and Cost Estimate.
